You can get chips!

Are you longing for the feel of a new chip when your birthday comes around? One way to get one is to attend the regular San Rafael 8:30 Tuesday Chip meeting (Zoom ID: 928 303 429.) Just celebrate your birthday and leave your address for the chip master in the chat. Just like the 'ol days – well almost...!

The Alano Club is back in 'business

Noon meetings will be in the back yard. They begin Monday 8/31 on M-W-F, later going to 5 days a week, and then 7. Yay! See the Marin Alano Club Facebook page details. Basically it will be safe seating, masks required, temperature will be taken as you arrive, bring your own beverage. Chairs will be provided.

The Alano Club welcomes new members! Donations can go to: paypal.me/marinalanoclub.

Want to finally find out about the 'Concepts?'

The first Tuesday eve every month...Surprise yourself with the depths and relevance of the 12 Concepts to your program. (We might as well learn something while we're sitting around looking at the screen anyway.) Excellent Speakers! Check it out at aamarin.org - events.

Sponsoring Workshop – by MFI

Hear about sponsoring from four experienced sponsors – Leroy J/Kathy B/John L/ Rose V - each with their own 'style.' Plenty of time for Q&A following. Sunday, Sept 20th 4:00 pm. Zoom: 746 129 1755
